

RIDE THE RUSH

XTREME 4V
200S FOUR VALVE

RIDE THE RUSH

Gear up for a world of attention.

Make a bold statement wherever you go with the Xtreme 200S 4V. With its aggressive stance and bold design, get used to stealing the spotlight without breaking a sweat. Race the limits with the 4V engine that delivers 5% more torque and 6% more power and set the roads ablaze with exhilarating performance, engineered to thrill. Experience future-ready technology with a new-age digital cluster integrated with smartphone connectivity and turn-by-turn navigation, so you can take charge of every adventure.

Go on, dominate the roads.

XTREME 4V
200S FOUR VALVE

A yellow and black Yamaha Xtreme 200S 4V motorcycle is shown from a front-three-quarter view. The bike features a prominent yellow fuel tank and fairings with black accents. The word "XTREME" is visible on the side fairing. The background is a clear blue sky.

DOUBLE THE ATTENTION

Choose from two **New Dual Tone Colours** and make an irresistible style statement every time you hit the road.

A close-up view of the handlebars and instrument cluster of the Yamaha Xtreme 200S 4V. The handlebars are black with silver accents. The instrument cluster features a digital display and analog gauges. The fuel tank is visible in the background.

GRAB THRILL WITH BOTH HANDS

Discover what it feels to ride on a racetrack with **New Split Handlebar** designed to make every ride aggressive.

A rear view of the Yamaha Xtreme 200S 4V, focusing on the rear hugger. The hugger is a black plastic component that protects the rear wheel and engine area from road debris. The motorcycle is parked on a paved surface.

RIDE WITHOUT WORRIES

The Xtreme 200S 4V is equipped with a stylish **New Rear Hugger** that protects it from road debris on every ride.

A close-up view of the engine of the Yamaha Xtreme 200S 4V. The engine is black and features a prominent "YAMAHA" logo on the side. The cooling fan and other engine components are visible.

BORN TO POWER AHEAD

The Xtreme 200S 4V comes with a **New Powerful 4V BSG Engine** with 5% more torque and 6% more power to deliver adrenaline rushes like never before.
